PROFESSIONAL EXPERIENCE

UTD – Center for Vital Longevity, Dallas (USA) — Sept 2025 – Present
Marketing & Social Media Student Assistant
Social Media Strategy: Increased engagement by 20% across Facebook, LinkedIn, Instagram by managing end-to-end content creation, analyzing KPIs (reach, impressions, engagement rate), and running A/B tests to optimize performance.
Email Marketing: Improved email deliverability by 30% through list hygiene and segmentation; increased open rates by 18% and CTR by 10%; supported event promotion, driving 100+ attendees from DFW and Austin.

iLink Digital, Pune (India) — Sept 2022 – July 2024
Marketing Executive
Cross-Functional Collaboration: Led a 3-member content team and collaborated with 6 business units to deliver industry-specific marketing assets, improving sales enablement efficiency by 15–20%.
Campaign Optimization: Boosted newsletter performance (40% open rate) and increased social media engagement from 8% to 30% by data-driven segmentation, A/B testing, automation, and channel analytics.
Lead Generation: Drove a 10% increase in inbound leads by producing SEO-aligned content and building monthly performance dashboards to improve lead nurturing, and support CRM-aligned marketing workflows.

iLink Digital, Pune (India) — May 2020 – August 2022
Sr. Content Writer
Content Strategy: Created 150+ SEO-optimized blogs, case studies, whitepapers, and web pages and tracked performance (traffic, engagement, downloads), contributing to a 25% increase in overall website traffic.
Team Leadership: Led marketing team during a 3-month manager absence, coordinating with business units, and ensuring on-time, high-quality delivery, earning the Marketing Champion Award.

ACADEMIC PROJECT EXPERIENCE

Consumer Behavior Market Research: Designed a Qualtrics survey and analyzed data (144 responses) using Excel and crosstabs to study how sustainability positioning influences Gen Z & Millennial buying decisions, delivering actionable recommendations for better brand positioning.
Go-to-Market (GTM) Strategy: Developed STP, SWOT, competitor analysis, buyer personas, pricing, channel mix, and a 12-month KPI-driven promotion plan for a dog-walking service, along with financial forecasts and ROI estimates to support its go-to-market launch.
Web Analytics: Analyzed GAP's brand strategy and tracked key web KPIs (engagement rate, average session duration, conversion rate) using Google Analytics. Built KPI dashboards and visual reports to analyze website performance, user behavior, and deliver data-driven brand recommendations.

SKILLS

Tools & Languages: Adobe Analytics, Google Analytics, MS Project, Microsoft Office (Excel, Word, PowerPoint), Hootsuite, Buffer, Mailchimp, HubSpot, Canva, Google Ads, Google Search Console, HTML5.
